REPLY TO INTERVIEW SUMMARY DATED NOVEMBER 12, 2004

Dear Sir:

Examiner Kiss proposed an Examiner's amendment to cancel previously added claim 35 in order to place the application in condition for allowance. Applicant's representative agreed to cancel this claim in order to place the application in condition for allowance. Applicant's representative disagrees with rejections of originally filed claim(s) and newly introduced claims during prosecution of the subject application in view of deficiencies of the cited art - such rejected and/or cancelled claim(s) are being pursued in a continuation application.
